If you're spending more time managing your SMS marketing platform than promoting your Nissan dealership, you're losing money on missed opportunities and lost deals.

There's a simpler way

SimpleTexting has helped Nissan dealerships across North America achieve average conversion rates of 45%. How did we do it? We built a platform that's easier to use and more affordable than anything you've tried before, without sacrificing power.

You're in total control

Want to monitor and manage how your team communicates with customers? View all of your sales team's conversations in one dashboard, create templates for consistent messaging, and assign roles to each team member.

Close more deals in less time

SimpleTexting speeds up your SMS workflows with its intuitive platform and advanced automations.

- ✓ Launch personalized campaigns to hundreds of contacts in seconds
- ✓ Segment customers by needs and behaviors
- ✓ Re-engage prospects with price change alerts
- ✓ Send and receive MMS to show off your inventory

Hi John, Korey here from your Nissan dealership. Your vehicle service video is ready for viewing at <https://txt.st.LHF12K>

Axle seal: \$95.27
Oil pan gasket: \$124.31
We'd need to order parts. Please let us know what you'd like to do

Thank you Korey. Let's order those parts in.
